Atty Docket No. PSTM0042/MRK	:	CERTIFICATE OF CORRECTION

This is a decision on the petition filed on May 18, 2010, which is being treated as a petition under 37 CFR 1.705(d) requesting that the patent term adjustment indicated on the above-identified patent be corrected to indicate that the term of the above-identified patent is extended or adjusted by one thousand, four hundred and seventeen (1417) days.

The petition to correct the patent term adjustment indicated on the above-identified patent to indicate that the term of the above-identified patent is extended or adjusted by one thousand, four hundred and seventeen (1417) days is **GRANTED**.

This patent issued on February 9, 2010, with a patent term adjustment of 868 days. On March 24, 2010, Patentee filed a Request for Recalculation of Patent Term Adjustment in view of Wyeth. On April 21, 2010, the Office mailed a decision granting the petition under 37 CFR 1.705(d) to the extent that a certificate of correction would be issued indicating that the term of the patent was extended or adjusted by 1525 days.

The Office notes that the decision of April 21, 2010 was issued in error as it accorded Patentee 108 more days of patent term adjustment than were warranted, respectively. The present decision supersedes the decision mailed on April 21, 2010.

The Office has determined that the patent term adjustment for the above-identified patent is **1417 days**. The 108 additional days of adjustment will be removed.

The application is being forwarded to the Certificates of Correction Branch for issuance of a certificate of correction. The Office will issue a certificate of correction indicating that the term of the above-identified patent is extended or adjusted by **one thousand, four hundred and seventeen (1417) days**.

The \$200.00 fee set forth in 37 C.F.R. § 1.18(e) will be charged to Deposit Account No. 50-1574 in due course. No additional fees are required. The Office thanks Applicant for her good faith and candor in bringing this to the attention of the Office.

Telephone inquiries specific to this matter should be directed to Senior Attorney Paul Shanoski at (571) 272-3225.
